

Fork Mounted Sweeper

Fork Mounted Sweeper - The forklift mounted broom accessory could make industrial sweeping work a lot easier. Designed for use on either wet or dry surfaces, this mounted broom accessory could push snow and squeegee water with no trouble. This particular attachment is often used to be able to clean trash from parking lots, warehouses, construction sites, docks and almost everywhere it is required. The lift truck sweeper is a low maintenance accessory that uses quick-tite fork products to effortlessly connect to the forklift.
