

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is currently connected with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machines that are known within the industry as durable and strong machinery that satisfies all the needs of larger infrastructure and heavy industry. Products made in the United States of America; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery operated walk behind model of floor scrubber with the Clarke Company that is now likewise owned by Nilfisk Advance. Their manufacturing operations are based in Springdale Arkansas. These kinds of scrubbers are on the market under the trade mark name "Encore". American Lincoln has the ability to provide machinery, parts and warranty service for these types of scrubbers that have both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice machine of big distribution centers like Target and Wal-Mart. The 7765 line has earned the respect of numerous facility supervisors where results and efficiency count. Recently, this particular floor scrubber model has been requested by the architects in various construction jobs such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this sweeper scrubber on site due to the model's excellent quality and supreme performance level for polishing concrete.
